Cemetery Records Collection
Collection Number: 812

CONDITIONS GOVERNING ACCESS: Collection is open to all researchers.

CONDITIONS GOVERNING REPRODUCTION AND USE: Restrictions may apply concerning the use, photoduplication, or publication of items in this collection. Consult a member of the archives staff for information concerning these restrictions. The user assumes all responsibility for identifying and satisfying any claimants of copyright. Some materials may require special handling.

PROCESSING INFORMATION: Last updated November 2025

EXTENT: 1.68 linear feet

SCOPE AND CONTENT: This is an artificial collection comprised of information about internments in graveyards, cemeteries and burying grounds. Most records concern cemeteries in Winchester and Frederick County but they may include information about neighboring counties.

The records contain information about internments as well as location and status (whether on private property or open to the public) if known. Records marked with an asterisk* refer to cemeteries that are wholly or predominantly African American.

Please note that a cemetery may be listed two or more times. This indicates that there are multiple folders with information concerning burials derived from different sources.

ARRANGEMENT: The collection is arranged alphabetically by cemetery name or locality.

IMMEDIATE SOURCE OF ACQUISITION: Acquired by Archives staff and volunteers or by donation.
