## WHAT IS IT?

1000 Books Before Kindergarten is a year-round library program that encourages all families and caregivers to read at least 1,000 books with their young children before they enter Kindergarten.

## HOW DOES IT WORK?

The concept is simple and the rewards are priceless. Read a book (any book) to your newborn, infant, and/or toddler. The goal is to have read 1,000 books (yes, you can repeat books) before your little one starts Kindergarten.

Does it sound hard? Not really, if you think about it. If you read just 1 book a night, you will have read about 365 books in a year. That is 730 books in two years and 1,095 books in three years.

## HOW DO I GET STARTED?

Log into, or create an account for Beanstack by going to:

**[HandleyRegionalLibrary.Beanstack.com](https://HandleyRegionalLibrary.Beanstack.com)**

Do you already have an account in Beanstack? Log in with that! If you cannot remember your login information, simply email [beanstackhelp@handleyregional.org](mailto:beanstackhelp@handleyregional.org) for assistance.

Get the Beanstack App to make it even easier! This digital logging software allows caregivers to keep track of how many books they are reading and more!

## EARN PRIZES

Online badges are earned for every 50 books. For every 100 books, your child can head into the library to receive a prize!

## CELEBRATE!

Each Fall and Spring we have a graduation ceremony to acknowledge the achievement of the graduates of the program.
