

Five Little Leaves

Five little leaves on the tree next door
One fell off and then there were four
Four little leaves all over the tree
One fell off and then there were three
Three little leaves where the wind blew
One fell off and then there were two
Two little leaves sitting in the sun
One fell off and then there was one
One little leaf in the tree all alone
The wind blew and blew now there are none!

The Leaves on the Tree

(Tune: Wheels on the Bus)

The leaves on the trees turn orange and red,
orange and red, orange and red
The leaves on the trees turn orange and red,
all around the town.

The leaves on the trees come twirling down,
twirling down, twirling down

The leaves on trees come twirling down,
all around the town

The leaves on the ground go swish, swish, swish,
swish, swish, swish, swish, swish, swish

The leaves on the ground go swish, swish, swish,
all around the town.

(Tune of "Farmer in the Dell")

The leaves are falling down
The leaves are falling down
Red, Yellow, Green, and Brown
The Leaves are falling down.
