

## In the Forest

Sung To: "Did You Ever See A Lassie"

If you're ever in the forest,  
The forest, the forest,  
If you're ever in the forest,  
You might see a squirrel.  
He scampers up trees,  
As fast as can be.  
If you're ever in the forest.  
You might see a squirrel.

If you're ever in the forest,  
The forest, the forest,  
If you're ever in the forest,  
You might see a rabbit.  
She hops all around,  
With big leaps and bounds.  
If you're ever in the forest.  
You might see a rabbit.

If you're ever in the forest,  
The forest, the forest,  
If you're ever in the forest,  
You might see a fox.  
She's crafty and quick,  
And might play a trick.  
If you're ever in the forest.  
You might see a fox.

If you're ever in the forest,  
The forest, the forest,  
If you're ever in the forest,  
You might see a skunk!  
Please do not yell,  
Or you won't like the smell.  
If you're ever in the forest.  
You might see a skunk!
