

Mahjong Teachers

Bowman Library

3 hours per week, Wednesdays 5-8 pm

The Bowman Library is looking for a friendly volunteer or two to teach and lead mahjong games. This program is part of our ongoing effort to offer engaging, social and culturally rich activities for the community. Whether you're an experienced player or a passionate teacher, we'd love your help introducing this classic game to our community.

Experience teaching is helpful but not required

Help us bring strategy, culture and fun to the library
